

AFFORDABLE HOUSING

A FOUNDATION FOR LIFE

why

At BlueCHP we want everyone to have an affordable home and passionately believe this is the best way to support any family. We know we make a difference to people's lives, the community and the nation by building more affordable housing.

BlueCHP is proud to provide housing for 1,300 people

how

We have a dedicated team of property development professionals who seek to turn every dollar into more affordable housing. By adopting innovative designs and new technologies we are able to build more affordable homes.

Using our commercial and business skills we bring transactions to life, providing a bridge between the commercial world, not-for-profit sector and government.

We focus on excellence and embrace change, partnering with others to leverage our expertise to create more homes.

what

We deliver high quality housing for sale and affordable long term rentals.

Since our inception in 2008 we have used \$5 million of seed money to deliver more than 1,700 homes, retaining 750 worth \$300 million.
